👤 PROFILE

I have spent the last 7+years working as a medical assistant Coordinator for Sonoran orthopaedic Trauma Surgeons. I am looking to gain some real world experience in the tech field. I am currently enrolled in the UofA coding boot camp. I have finished 1/3 of the boot camp and working towards back end developer skills.

💼 EMPLOYMENT HISTORY

Medical Assistant coordinator at Sonoran Orthopaedic Trauma Surgeons , Scootsdale

November 2020 — April 2012

Assisted the providers with injections, vital signs, prepping patients for exams procedures. Scheduled patient appointments, inventory, rooming patients, and charting. Checked vital signs, assist doctor with procedures, obtained medical/family history, and chief complaints. Being the medical assistant coordinator I also had to over see the rest of the offices around the valley. I made sure we had enough staff, trained all new MA's, managing patient admissions, maintaining supplies, fill in any providers clinic when needed.

🎓 EDUCATION

Certificate, University of Arizona, Gilbert

February 2020 — August 2020

Intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, AJAX, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Certificate , Sanford-Brown , Phoenix

October 2011 — July 2012
