Esmeralda Rodriguez

[8409 W Avalon Dr] | [Phoenix, AZ 85037] | [602.881.8945] | [rodriguezesme24@gmail.com]

Objective

To obtain an **entry-level** tech position where I can use my education, **technical** experience and penchant for teamwork and continuous learning to bolster the contributions of a cutting-edge **information technology** team

Education

- [University of Arizona, Gilbert, AZ]
- [Certificate- Full Stack Web Development] | [08/13/2020]
- [Sanford-Brown College]
- [Certificate-Medical Assistant][September 2012]

Experience

[November 2012] – [Present]

[Medical Assistant Coordinator] | [Sonoran Orthopaedic Trauma Surgeons] | [Scottsdale]

[Assisted the providers with injections, vital signs, prepping patients for exams procedures. Scheduled patient appointments, inventory, rooming patients, and charting. Checked vital signs, assist doctor with procedures, obtained medical/family history, and chief complaints. Being the medical assistant coordinator I also had to oversee the rest of the offices around the valley. I made sure we had enough staff, trained all new MA's, managing patient admissions, maintaining supplies, fill in any providers clinic when needed.]
